HOUSE AMENDMENT NO	
Offered By	
AMEND House Committee Substitute for House Bill No. 1542, Page 18, Section 67.525, Line 2	28
by inserting after said line the following:	
"67.548. 1. In any first or second class county not havin	ıg
a charter form of government, which contains all or any part of	a
city with a population of greater than four hundred thousand	
inhabitants, in which the voters have approved a sales tax as	
provided by section 67.547, the county commission may:	
(1) Reduce or eliminate the county general fund levy, the	
special road and bridge levy, or the park levy; [and]	
(2) Grant county [sales tax] revenues to cities, towns and	ł
villages and to special road districts organized pursuant to	
chapter 233 <u>;</u>	
(3) Enter into agreements with cities, towns, villages, an	ıd
special road districts organized under chapter 233 for the	
purpose of working cooperatively on the roads and bridges locate	<u>:d</u>
within the county, including the distribution of funds to such	
entities in addition to those funds described in subsection 2 of	: <u>-</u>
this section.	
2. [If the county commission reduces a special road and	
bridge tax levy pursuant to this section which results in a	
reduction of revenue available to a city, town or village or to	a
special road district organized pursuant to chapter 233, the	
commission shall in that year in which the reduction of revenue	
occurs set aside and place to the credit of each such entity	
sales tax revenues in an amount at least equal to that which each	:h
such entity would have otherwise been entitled from the special	
road and bridge tax levy, had it not been for such reduction. I	
subsequent years, each such entity shall receive from the county	7
an amount of sales tax revenue equal to the amount of special	

Date 1

road and bridge tax revenue that each such entity would have

received in that year, but for the reduction in the special road

1	and bridge tax. The county shall transfer such sales tax revenue
2	to each such entity in twelve equal monthly installments during
3	each year in which such entity is entitled to receive such sales
4	tax revenue] In any county in which the voters have approved a
5	sales tax as provided by section 67.547, each city, town,
6	village, and special road district organized under chapter 233
7	shall continue to receive its share of the county's special road
8	and bridge levy, if any, that is annually considered by the
9	county commission. In the event that the annual special road and
10	bridge levy is not set at a level of at least fourteen cents on
11	each one hundred dollars assessed valuation, the county
12	commission shall allocate additional funds from any available
13	county source to the cities, towns, villages, and special road
14	districts located within the county in an amount that will, when
15	combined with the revenues received from the special road and
16	bridge levy, distribute funds to such entities in an amount that
17	is at least equal to the funding level of fourteen cents on each
18	one hundred dollars assessed valuation. Additionally, any city,
19	town, or village which contains at least fifty percent of a
20	special road district organized under chapter 233 shall be
21	entitled to receive the road district's portion of any funds not
22	paid through the special road and bridge levy. Any funds paid
23	under this subsection shall be paid as if the funds were paid
24	under the county's special road and bridge levy."; and
25	Further amend said bill, Page, Section,
26	Line, by inserting after all of said line the following:
27	"238.415. 1. A road and bridge revitalization district may
28	be established in the portion of a home rule city with more than
29	four hundred thousand inhabitants and located in more than one
30	county that is located in a county of the first classification
31	with more than two hundred thousand but fewer than two hundred
32	sixty thousand inhabitants, after voter approval pursuant to this
33	section. A road and bridge revitalization district shall exist
34	to revitalize, repair, replace, and construct new roads, bridges,
35	and related public infrastructure, including storm water control
36	systems. The boundaries of the district may be of any dimensions
37	within the portion of the city within such county that may be
38	deemed necessary or advisable. The governing body of the
39	municipality may establish such district by ordinance and
40	authorize the imposition of a tax to support the district. The

woters for reauthorization and shall specify the period of time before such reauthorization shall be required, which time perishall not be more than ten years. No such ordinance shall bee effective unless the governing body of the municipality submit to the voters residing within the district at a state general, primary, or special election a proposal to authorize the creat of the district and the imposition of the tax. The municipality submit to the voters residing within the district at a state general, primary, or special election a proposal to authorize the creat of the district and the imposition of the tax. The municipal ishall include in the ballot a provision for a tax to support the district in an amount not to exceed ten cents per one hundred dollars assessed valuation of all taxable property within the district pursuant to available statutory authority.  2. The ballot for the proposition in the district shall in substantially the following form:  Shall there be established a Road and Bridge Revitalization bistrict with a tax rate of not more than (insert amouncents per hundred dollars assessed valuation of all taxable property within the district for years, unless reauthorized by the voters?  3. In the event that a majority of the voters voting on such proposition in the proposed district at such election case votes for the proposition, then the district shall be established and the tax rate shall be in full force and effect as of the first day of the year following the year of the election. The results of the election shall be certified by the election officials of the city not less than thirty days after the day election. In the event the proposed district, then such proposition shall not be resubmitted at any election held with one year of the date of the election the proposition was rejected."; and,  Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
shall not be more than ten years.
